

“Making Our Lives Count” Psalm 90

1. How long does God last? (1-2)
 - a. always
 - b. a long time
 - c. We don't know.

2. How long do we usually last on earth? (3-6, 10)

3. Why do we have such short lives on earth? (7-9, 11)
 - a. Death is natural.
 - b. Because of our sins.

4. The reason we need to learn to number our days (understand how short our lives are) is so that we can get a heart of _____ (12).

5. If we get a heart of wisdom, we will (13-17):
 - a. cry out to God for pity.
 - b. seek to be satisfied with God's love.
 - c. find joy and gladness all our days.
 - d. ask God to show his work to our children.
 - e. seek God's favor.
 - f. do all of the above.

6. How can we find God's pity, satisfaction, love, joy, gladness, and favor?
 - a. by trying very hard to be good
 - b. by believing in Jesus
 - c. by doing our own thing

7. In order to make our lives count, we need to invest them in _____ not in _____ that disappear.
